

RMS Digital Splitters

Description

The RMS 1 GHz Digital Splitters are ideal for applications that require a low cost high quality SCTE compliant splitter. These splitters are 6KV rated to meet the needs of modern CATV plants.

Key Features

- Bandwidth 5MHz to 1GHz
- RFI Shielding >-120dB
- Micro-strip designed PCB for consistency of specifications and superior total bandwidth characteristics
- Premium ferrites, resistors and capacitors
- Laminated ID label that will not fade
- Zinc housing that is chromated and plated for maximum corrosion resistance
- Precision machined "F" ports that are SCTE compliant
- Each unit is individually packaged with mounting screws
- 100% quality control at RMS factory
- Dual flush mounting tabs for easy installation
- Integrated heavy duty grounding screw

- Modified 360 degree contacts that offer excellent contact between coax and F61 also has an excellent wiping action
- Concave solder backplate design assures 100% sealing of backplate to the housing and prevents pinholes
- Excellent insertion loss, isolation (port/port) & return loss (input/output)
- CE Approved

1002DW-SCTE-SB
1003DW-SCTE-SB
1004DW-SCTE-SB
