

PPC EX6 PLUS

Description

PPC EX6 PLUS Universal Compression Connectors for RG6 series cable are up to SCTE standards providing a secure watertight connection and excellent pull strength with effortless installation.

Installers are faced with the problem of identifying old unmarked 60% through Quad Shield Series 6 cable, and having to guess which connector is the best match. This results in unnecessary service calls due to the use of the wrong connector/cable match. The unique patented design of the EX[®] body achieves true universality on 60% through Quad Shield for PE, and PVC jackets for RG6 series cable.
