

Slotted Duct Cable Management

Multilink offers both horizontal and vertical cable management products extruded from high grade polymers. All of our horizontal cable managers are produced to fit on a standard 19" rack. Our organizers ship with both the base and the cover as a set. The only color available is black. The slotted duct features open ends for ease in cable management.

Horizontal Fiber Manager:

Features base and cover cable management on the front and backside. Brackets are featured on both ends.

Double Sided, Side Mount/ Front & Rear:

Features base and cover cable management on the front and backside. Brackets are on one side only for a left or right side rack attachment.

Center Mount/Front & Rear

Features base and cover cable management on the front and backside. Brackets are on both sides of the duct for a center mount attachment between two racks.
