# Rack Mount Fiber Panels

FRM-1RU-2X-SO
(Shown loaded with two adapter panels)

FRM-1RU-3X-TS
(Shown loaded with three adapter panels)

Product Description

Multilink in-rack mounted termination enclosures are designed to provide connectivity and distribution solutions. Enclosures are supplied with universal mounting hardware for 19" or 23" mounting. Slide out and swing out master panel style enclosures are designed to support the storage of splice trays. Each enclosure can be ordered fully terminated with cabling or pigtails from the factory, saving valuable installation time and in-field labor expenses. Products with your customized logo are available for OEM or other applications. Units are available in standard Black or Off White.
