

# RSH SERIES CUSTOM RACKMOUNTS

The Professional's Choice for Mounting and Trimming Non-Rackmount Components

TIA/EIA COMPLIANT  US LISTED

With the innovative RSH custom rackmounts, virtually any component can be installed in a standard 19" enclosure without modification. Custom cut to provide a perfect opening for the face of the component that is being mounted, each RSH unit provides a neatly-trimmed installation with a perfect fit and no gaps. With accurate details on over 8,000 components in our measured unit database, chances are we have the component needed on file.

Unit assembles easily in minutes and includes rear brackets to prevent the mounted component from sliding back. A ventilated bottom promotes cooling. Depending on the needs of the installation, the units can be ordered with a black textured finish (model RSH4S), a silver brushed and anodized finish (model RSH4C) or a black brushed and anodized finish (model RSH4A). Bottom depths are automatically provided in 11 1/2", 14", 15 1/2", 17 1/2", or 20 1/2" styles. Custom rackmounts will accept any component up to 17 3/4" wide. Individual fascias (less rack ears and shelf bottom) are also available in a black textured finish (model SFACE), silver brushed and anodized finish (model CFACE) or a black brushed and anodized finish (model AFACE). LCD rackmounts also available to mount most LCD monitors with up to a 17" screen size or with a maximum width of 17 3/8". NOTE: custom rackshelf height is specified at the factory based on physical restrictions. Visit [middleatlantic.com](http://middleatlantic.com) to find heights on all measured components.

A&E SPEC. # 96-034 (COMPONENT)

A&E SPEC. # 96-999 (LCD)

Part # & Finish	Matching Finish	Pg.
RSH4A black brushed and anodized	TA Trim Strip	120
	Media Holders (CD, VHS, VHS-L, CD-1, LP, DVD)	120
	D Series Rack Drawers	121
	QFP Quiet Fan Panels	112
	FP Fan Panels	112
	BL, HBL Blank Panels	130
RSH4C silver brushed and anodized	VTP, EVTA Ventilation Panels	131
	TC Trim Strip	120
	Media Holders (CCD, CVHS, CVHS-L, CCD-1, CLP, CDVD)	120
	DC Series Rack Drawers	121
	CHBL Blank Panels	130
RSH4S black textured powder coat	CVTP, EVTC Ventilation Panels	131
	TS Trim Strip	120
	Media Holders (TCD, TVHS)	120
	TD Series Rack Drawers	121
	QTFP Quiet Fan Panels	112
	TFP Fan Panels	112
	SB Blank Panels	130
VT, EVT Ventilation Panels	131	

Installation by Home Systems

RSH custom rackmount with component installed and clamp option

RSH custom rackmount

RSH shown with Xbox 360™

RSH silver brushed and anodized finish available

RSH LCD mounts available

accommodates most LCD screens up to 17" in size, or with a maximum width of 17 3/8" (rear)

# RSH SERIES CUSTOM RACKMOUNTS

RSH clamp option (shown with component installed)

## RSH Clamp Options

When dealing with mobile applications or seismic issues, use the RSH clamp option to secure components to the shelf. Clamping bars have rubber bumpers to maintain a tight grip while keeping components scratch-free.

Part #	Finish
RSH4A	black brushed and anodized
RSH4C	silver brushed and anodized
RSH4S	black textured powder coat
-C	clamp kit for all above
AFACE	black anodized face plate only
CFACE	silver anodized face plate only
SFACE	black textured face plate only

## Ordering Instructions

Visit [middleatlantic.com](http://middleatlantic.com) to see if the dimensions for the component to be rackmounted already exists among the over 8,000 on file. If we don't have the dimensions, we strongly suggest that you insure the component and ship it to us via UPS so that we may accurately measure it. We will ship the component back to you insured, the next day. The complete custom rackmount will follow within the next 2 business days.

A second ordering option for custom mounting components with dimensions we don't have on file is to fax us the measurements using the form on this page. The W, H, and F dimensions shown in the illustration MUST be accurate within  $\pm .005$  ", depth can be within  $\pm .008$  ". The use of dimensions provided in the component's owner's manual are NOT recommended. Please measure carefully as RSH units are custom-made and non-returnable.
